

Information Technology:

IT's a Woman Thing...

"One Saturday I said, 'OK, this is my last day cutting hair.' On Monday I went to [the community college], registered late and started two weeks later."

- Angelica Molix*

...and it's not too good to be true! A career in IT gives you:

- good pay
- a flexible work environment
- a people-oriented job
- and a great employment outlook!

Help the world solve its problems in healthcare, education, & just about any field by earning a computer science or information technology degree at a community college, four-year college, or online, right from your home.

**Give yourself the power to make a difference.
Get into IT.**
