

NCWIT SUMMIT OPEN

Lucy Sanders, CEO/Co-Founder,
NCWIT

**NCWIT Summit
on Women and IT:**
where conversations
lead to change

May 15-17, 2018 | Grapevine, Texas

Lifetime Partner: Apple

*Strategic Partners: National Science Foundation,
Microsoft, Bank of America, Google, Intel, Merck, and AT&T*

*Investment Partners: Avaya, Pfizer, Bloomberg,
Hewlett Packard Enterprise, Qualcomm, and Facebook*

Welcome to Dallas, Texas

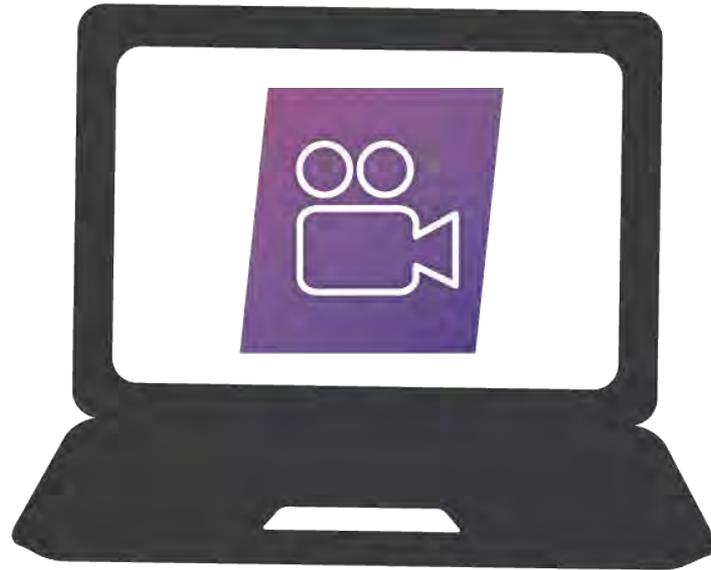

Welcome to the NCWIT Summit

Our Annual Community Meeting

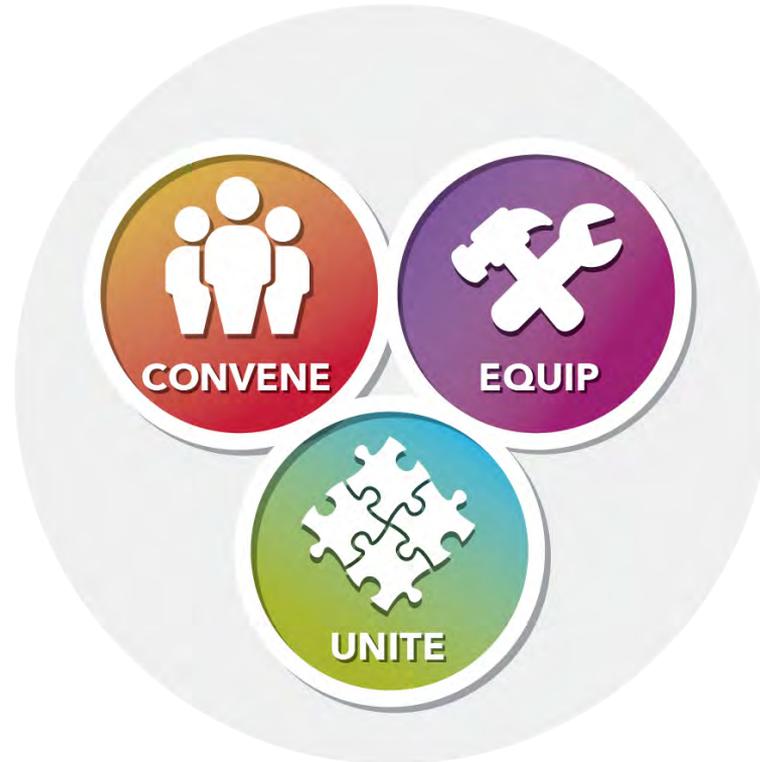

Welcome Livestream Viewers

Established in 2004 with support from the National Science Foundation, NCWIT exists to **significantly increase** girls' and women's **meaningful participation** in computing.

We Are All Change Leader Organizations

What a Difference a Year Makes

Together, We Are Moving the Needle: NCWIT K-12 Programs

- **AspireIT** has provided 240,000 instructional hours to over **8000 girls in 40 states** since 2013.
- In 2017, **Counselors for Computing** presented 52 events in 18 states, for 4477 counselors/educators with a reach to **1,119,250 girls (and many boys)**.
- **TECHNOLOchicas** has aired public service announcements over **20 Univision markets nationwide**.

Together, We Are Moving the Needle: NCWIT K-18 Programs

- Over **10,000** technical women in the **Aspirations in Computing (AiC)** community.
- From HS to Post-secondary, **90%** of Aspirations participants persist in STEM; **82% persist in computing.**
- The growth rate of women's enrollments in NCWIT **Extension Services** undergraduate programs was 1.5 times the rate of men's in just two years.

Together, We Are Moving the Needle: NCWIT Corporate Programs

- Corporate members continue to build a laser focus on technical culture, systemic change and sustainable practice; **91% report taking action because of something they learned at NCWIT**
- NCWIT corporate members provide **critical funding** so that programs are available free of charge.
- Corporate volunteers reviewed almost **4500 AspireIT applications**.

What Happens At the NCWIT Summit?

At the Summit, We Connect to Research That Makes Us Effective Change Leaders

At the Summit, We Share Practical Applications of Research

At the Summit, We Celebrate Our Accomplishments

On the Schedule Today

-  **Pioneer in Tech Award**
-  **Aspirations in Computing Collegiate Award**
-  **Plenary – Jackson Katz, PhD**
-  **Harrold and Notkin Research and Graduate Mentoring Award**
- Break – Walk/Shuttle to Reception**
-  **Community Reception – Glass Cactus**

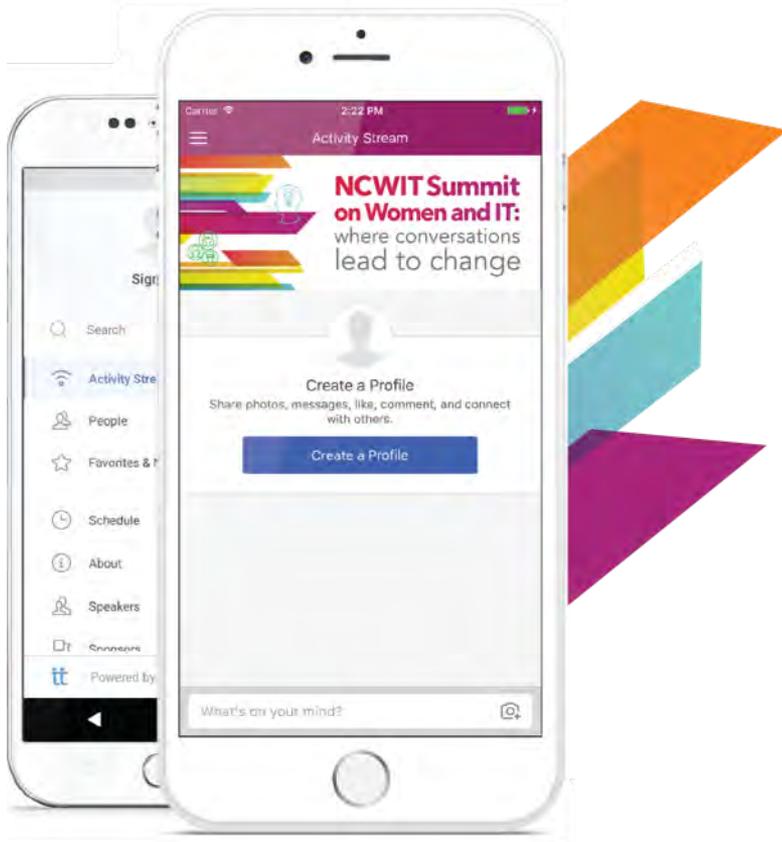

At the Summit, Conversations Lead to Change

Getting to the Glass Cactus

1. Make your way to the front lobby
2. On the south side of the main lobby near the coffee shop, catch the trolley from the tour desk.
3. To walk: Make a left outside of the main lobby doors and follow the pathway north past the parking garage. The walk from the lobby to Glass Cactus is about 5 minutes.

There will be signage within the lobby and NCWIT staff posted along the pathway to direct attendees to the reception.
