

Hello Everyone!

The Nevada Computer Science Summit is 5 days away and I would like to go over a few things with you:

1. You may access the Computer Science Summit 2018 Web App, with agenda, speaker information, and more, by scanning this [code](#) on your device. Or click [here](#) to access the web app on your computer.
2. Parking passes are available for those who need them. Please click [here](#), print it out, and place it in the dashboard of your vehicle. The Cottage Grove parking garage information is on the pass and in the Summit App under "Summit Information". You should park on Levels 5 or 6 only. [Here](#) is a map on how to get to the Student Union from the parking garage.
3. Remember to bring a laptop or device with you to access the Summit materials and to use during the Team Strategic Planning time.
4. Conference attire is business casual. The room temperature may vary so please plan accordingly.
5. Remember to bring your registration receipt (either printed or in mobile version) that was emailed to you to expedite check in at the Registration Desk.

Thank you so much and we look forward to seeing you all in just a few days!
