OPTIONAL SURVEY QUESTIONS
Grades 4-12

1. Please provide the name of your program:

2. Have you participated in any computer, technology, robotics, or programming clubs inside or outside of school?
   - Yes □
   - No □
   Comments (optional): ________________________________

3. Are computing classes offered at your school?
   - Yes □
   - Not sure □
   - No □

4. If yes, have you taken any of the offered classes?
   - Yes □
   - No □

5. How many of the computing classes offered at your school have you taken?
   ________________________________________________

6. Which, if any, of the following programming platforms have you used before this program? (Mark ALL answers that apply.)
   - AppInventor □
   - Kodu □
   - Lego Robotics □
   - Pleo the Dinosaur □
   - Scratch □
   - Sphero □
   - I have not done any programming before. □
   - Other ________________________________
7. Do you hope to take any computer class or camp in the future, if you can?

☐ Yes  ☐ No  ☐ Not sure

8. Are any of the following statements about computing classes or camps true for you? (Check as many answers that apply.)

☐ I don’t know of any computer classes that I can take.
☐ I don’t know of any computer camps that I can take.
☐ The computing camps that I know of are too expensive.
☐ I don’t have transportation, that I know of, to get to the camps.
☐ I don’t have enough experience to take computing camps and classes.
☐ Other (Please specify.) _________________________________________________

9. Please describe something that you will remember about this program. What stands out—whether good or bad?

10. Please rate the following:

<table>
<thead>
<tr>
<th>Strongly Agree</th>
<th>Agree</th>
<th>Neither agree nor disagree</th>
<th>Disagree</th>
<th>Strongly Disagree</th>
</tr>
</thead>
<tbody>
<tr>
<td>I gained a greater understanding of career possibilities.</td>
<td>☐</td>
<td>☐</td>
<td>☐</td>
<td>☐</td>
</tr>
<tr>
<td>I understand how the computing and/or technology activities I learned are used in the real world.</td>
<td>☐</td>
<td>☐</td>
<td>☐</td>
<td>☐</td>
</tr>
<tr>
<td>I can use what I learned in this program to solve real-world problems.</td>
<td>☐</td>
<td>☐</td>
<td>☐</td>
<td>☐</td>
</tr>
</tbody>
</table>

11. Do you hope to come back to this program, if it is offered again?

☐ Yes  ☐ No  ☐ Not sure
